

Huntington State Beach

21601 Pacific Coast Highway
Huntington Beach, CA 92646
(714) 536-1455

Huntington State Beach is the site of a nesting sanctuary for the California least tern, a rare and endangered species. The beach also provides sanctuary for the threatened Western snowy plover. The park features a bicycle trail, and surfing, skating and surf fishing are popular.

PARK FEES & REGULATIONS

DAY-USE FEES are due and payable upon entry into the park. Please have your receipt visibly displayed in the driver-side windshield of your vehicle.

DAY-USE hours are from 6 a.m. to 10 p.m. The multi-use trail is a high-use area. Please keep personal belongings off trail and look both ways before crossing. All day-use guests must park in the day-use area. Overnight camping is not allowed.

DOGS must be on a leash no longer than six feet and under supervision at all times. They are allowed on the parking lot and multi-use trail only. Dogs are not permitted on the beach (except for service dogs). You must clean up after your pets—no exceptions.

SPEED LIMIT: The maximum speed limit inside the park is 15 mph.

ALCOHOL is NOT ALLOWED. No glass containers of any kind are allowed.

PARK FEES & REGULATIONS CONTINUED

SANITATION STATION: Dumping gray or fresh water on the ground is not allowed. An RV sanitation station is available for use. It is located in lot 2 just north of the Brookhurst Kiosk.

FIRE RINGS on the sand are available first-come, first-served. Keep children away from fire rings, as they may contain hot coals and ashes.

Violation of the above regulations may result in a citation or your ejection from the park.

FOLLOW BEACH SAFETY TIPS:

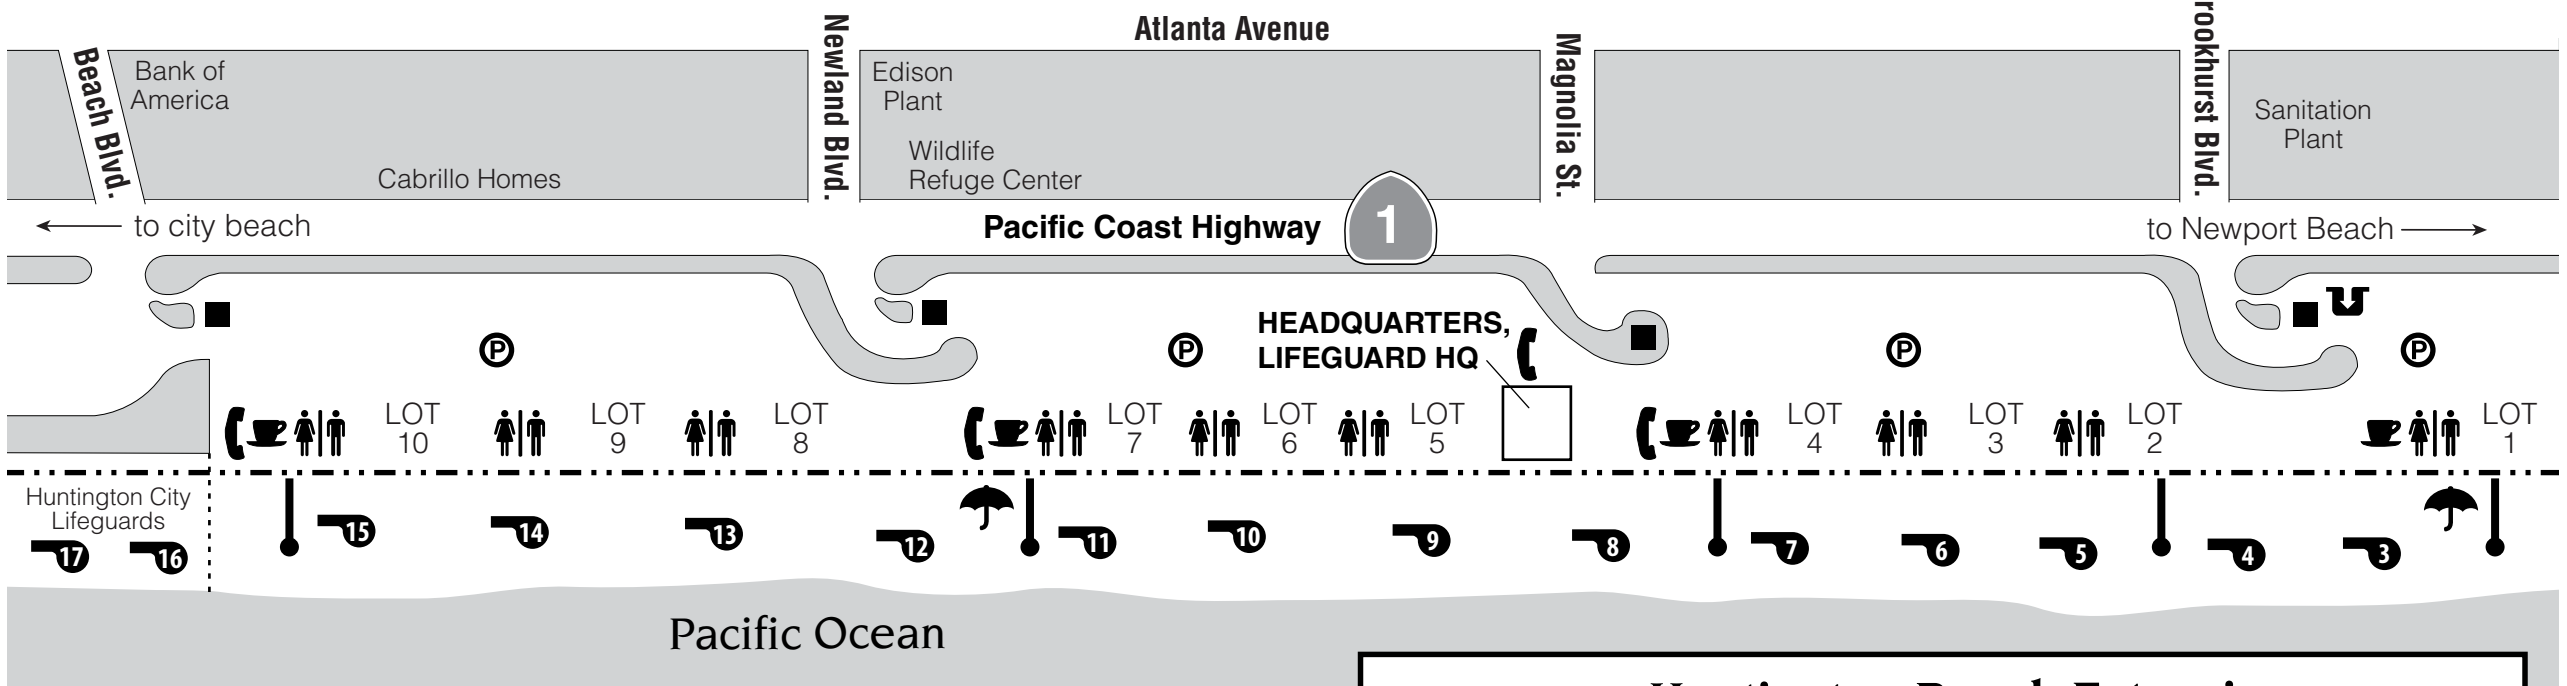

- **SWIM NEAR A LIFEGUARD. NEVER SWIM ALONE!**
- Check with lifeguards regarding ocean conditions before entering water.
- Swim in a lifeguard area only during duty hours.
- Long-distance swimming is best done parallel to the shore.
- Don't panic if you are being pulled offshore by a rip current. Swim toward shore at a 45-degree angle.
- Help prevent injuries to yourself or others by reporting unsafe conditions immediately.
- Never dive into shallow water, and always exercise caution when swimming in surf.
- Never fake drowning actions or call for help.
- Avoid digging deep holes in sand to prevent cave-in accidents.

The ocean should be considered a potentially hazardous environment, so always use extreme caution.
